

GREENSPACE BRANDS ANNOUNCES OFFICIAL LAUNCH OF CENTRAL ROAST FOODFIX LINE WITH SIGNIFICANT NATIONAL DISTRIBUTION WIN

Toronto, Canada – April 27, 2016 – GreenSpace Brands Inc. (“GreenSpace”) (TSXV: JTR) is pleased to announce that its Central Roast brand has officially launched FoodFix, a functional snack made up of combinations of nuts, seeds and dried fruits in a convenient ‘single-serve’ format. FoodFix is the answer to the crowded assortment of binder based high sugar bars that have traditionally dominated the bar market.

Since GreenSpace completed the acquisition of Central Roast in late February, Central Roast has begun to rollout FoodFix products into Sobeys retail locations nationally. This initial rollout has resulted in placement in over 400 Sobeys stores in the traditional bar set. FoodFix can also be found in a wide assortment of specialty and Natural Food Stores across Canada, including Whole Foods Markets and Farm Boy.

“The launch of FoodFix has been greatly anticipated both internally and by leading retailers across Canada. Our recent success with Sobeys and a host of other Natural food retailers, proves that the industry continues to crave innovation in categories where consumers are shopping most.” Says Matthew von Teichman, CEO of GreenSpace Brands. “This is a product that the consuming public has been waiting for and we are thrilled to be able to fulfill that demand. FoodFix is a fresh idea in a category that appeals to health minded consumers looking to grab a portion controlled snack without binders, sweeteners and fillers.”
