**GREENSPACE BRANDS INC.
MANAGEMENT INFORMATION CIRCULAR
August 10, 2018**

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the "Circular") is furnished in connection with the solicitation of proxies by the management of GreenSpace Brands Inc. ("GreenSpace" or the "Corporation") for use at the annual and special meeting (the "Meeting") of the shareholders of the Corporation to be held at the offices of Bennett Jones LLP, 3400 One First Canadian Place, 100 King Street West, Toronto, Ontario, at 1:00 p.m. (Toronto time) on Wednesday, September 12, 2018 and at all adjournments thereof for the purposes set forth in the accompanying notice of meeting (the "Notice of Meeting").

The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees of the Corporation. Directors, officers and employees of the Corporation will not receive any extra compensation for such activities. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting. The Corporation may pay brokers or other persons holding common shares in the capital of the Corporation ("**Common Shares**") in their own names, or in the names of nominees, for their reasonable expenses for sending forms of proxy and this Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of any such solicitation will be borne by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information contained herein since the date hereof.

Unless otherwise specified, the information contained herein is given as at August 10, 2018.

Appointment of Proxies

A registered shareholder of the Corporation may vote in person at the Meeting or may appoint another person to represent such shareholder as proxy and to vote the Common Shares of such shareholder at the Meeting. In order to appoint another person as proxy, such shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The persons named in the form of proxy accompanying this Circular are officers and/or directors of the Corporation. A shareholder of the Corporation has the right to appoint a person or company (who need not be a shareholder of the Corporation), other than the persons designated in the form of proxy, to represent such

shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons designated in the form of proxy and inserting the name of the person to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed form of proxy to Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, no later than 1:00 p.m. (Toronto time) on Monday, September 10, 2018 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or depositing the completed and executed form of proxy with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by internet or telephone by following the instructions on the form of proxy.

Signing of Proxy

The form of proxy must be signed by the shareholder of the Corporation or the duly appointed attorney thereof authorized in writing or, if the shareholder of the Corporation is a corporation, by an authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the shareholder of the Corporation or in some other representative capacity, including an officer of a corporation which is a shareholder of the Corporation, should indicate the capacity in which such person is signing. A shareholder of the Corporation or his or her attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be.

Revocation of Proxies

A registered shareholder of the Corporation who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered shareholder or by his or her attorney who is authorized by a document that is executed in writing or by electronic signature or, if the registered shareholder is a corporation, by an authorized officer or attorney thereof, or transmitting, by telephonic or electronic means, a revocation signed, subject to the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Corporation, located at 176 St. George Street, Toronto, Ontario, M5R 2M7, at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting or any adjournment thereof, or (ii) the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be called for at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder of the Corporation contained on the form of proxy and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters described in the Notice of Meeting.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters described in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Corporation knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matter which is not now known to management of the Corporation should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matter in accordance with the judgment of the person named as proxy thereon.

Non-Registered Shareholders

Only registered shareholders of the Corporation, or the persons they appoint as their proxy, are entitled to attend and vote at the Meeting. The Common Shares of a non-registered shareholder (a "**Non-Registered Shareholder**") who beneficially owns Common Shares will generally be registered in the name of either:

- (a) an intermediary (an "**Intermediary**") with whom the Non-Registered Shareholder deals in respect of the Common Shares (including, among others, banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust Company) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Circular and the accompanying form of proxy (collectively, the "**Meeting Materials**") to the Intermediaries for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will be given either:

- (a) a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the voting instruction form to validly constitute a form of proxy, the Non-Registered Shareholder must remove the label from the instructions and affix it to the voting instruction form, properly complete and sign the voting instruction form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those instructions regarding when and where the voting instruction form or the form of proxy is to be delivered.**

A Non-Registered Shareholder who has submitted a voting instruction form or form of proxy may revoke it by contacting the Intermediary through which the Common Shares of such Non-Registered Shareholder are held and following the instructions of the Intermediary respecting the revocation of proxies.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The directors of the Corporation have fixed August 8, 2018 as the record date for the determination of the shareholders of the Corporation entitled to receive notice of the Meeting (the "**Record Date**"). Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting and at all adjournments thereof.

Share Option Plan

The following is a summary of the key provisions of the Share Option Plan. The following summary is qualified in all respects by the full text of the Share Option Plan, a copy of which is attached hereto as Appendix "A".

The Share Option Plan was established to recognize contributions made by directors, officers, employees, management company employees and consultants of the Corporation and its affiliates and to advance the interests of the Corporation and its affiliates by encouraging equity participation in the Corporation.

The Share Option Plan provides for the grant of non-assignable options to purchase Common Shares ("**Options**") to service providers of the Corporation. Under the Share Option Plan, service providers includes the directors, officers, employees and management company employees of the Corporation or an affiliate of the Corporation, and any individual or company engaged to provide ongoing consulting, technical, management or other services to the Corporation or an affiliate of the Corporation, pursuant to a written contract between the Corporation or an affiliate of the Corporation and the individual or company and who, in the reasonable opinion of the Corporation, spends or will spend a significant amount of time and attention on the affairs and business of the Corporation or an affiliate of the Corporation.

The maximum aggregate number of Common Shares that may be reserved for issuance under the Share Option Plan at any point in time is 10% of the number of issued and outstanding Common Shares at the time the Common Shares are reserved for issuance, less any Common Shares reserved for issuance pursuant to share compensation arrangements of the Corporation other than the Share Option Plan. The Share Option Plan is a "rolling" maximum share option plan and any increase in the number of the issued and outstanding Common Shares will result in an increase in the number of Common Shares that are available to be issued under the Share Option Plan. Any exercise of an Option issued under the Share Option Plan will increase the number of Common Shares available to be issued under the Share Option Plan by the relevant percentage of the issued and outstanding Common Shares.

Unless the Corporation has obtained disinterested shareholder approval, no service provider may be granted an Option under the Share Option Plan if the grant of that Option would result in the total number of Options granted to such service provider in the previous 12 months, together with grants under share compensation arrangements of the Corporation other than the Share Option Plan, exceeding 5% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Options granted to service providers conducting Investor Relations Activities (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSXV) in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Options granted to any one consultant in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Common Shares reserved for issuance under Options granted to Insiders (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSXV) must not exceed 10% of the issued and outstanding Common Shares. The number of Common Shares issued to Insiders within any 12 month period must not exceed 10% of the issued and outstanding Common Shares.

The exercise price of an Option is set by the Board on the date of grant thereof and must not be less than the Discounted Market Price (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSXV). The expiry date of an Option is set by the Board on the date of grant thereof, which date cannot be later than 10 years from the date of grant thereof. However, if the expiry date of an Option falls within a blackout period or within nine business days after the end of a blackout period, such expiry date will be automatically extended without any further act or formality to the date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiry date for such Option for all purposes under the Share Option Plan.

Vesting of Options is at the discretion of the Board, and is generally subject to: (a) the service provider remaining employed by or continuing to provide services to the Corporation or any of its affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its affiliates during the vesting period; or (b) the service

provider remaining as a director of the Corporation or any of its affiliates during the vesting period. Notwithstanding the foregoing, Options granted to service providers conducting Investor Relations Activities will vest over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting, or such longer vesting period as the Board may determine. If the Board does not determine a vesting schedule at the time of the grant of an Option, such Option will be exercisable in whole at any time, or in part from time to time, during the term of the Option.

If a take-over bid (within the meaning of the *Securities Act* (Ontario)) is made to the shareholders of the Corporation, all Options that are not yet fully vested will immediately become fully vested, unless such Options are subject to vesting restrictions in accordance with the policies of the TSXV, and may, subject to receipt of any required regulatory approvals, be immediately exercised in whole or in part by the optionee in order to permit the Common Shares issuable upon the exercise of such Options to be tendered to such take-over bid..

No Option may be exercised after the earlier of the date the service provider has left his employ/office and the date that the service provider has been advised by the Corporation that his or her services are no longer required or his or her service contract has expired (the "**Termination Date**"), except as follows: (a) in the case of the death of a service provider, any vested Option held by him or her at the date of death will become exercisable by the service provider's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such service provider and the date of expiration of the term otherwise applicable to such Option; (ii) any Option granted to a service provider conducting Investor Relations Activities will expire 90 days after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; (iii) any Option granted to a service provider other than one conducting Investor Relations Activities will expire one year after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; and (iv) in the case of a service provider being dismissed from employment or service for cause, such service provider's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

In the event that an Option granted under the Share Option Plan expires unexercised, is terminated or is otherwise lawfully cancelled prior to exercise of the Option, the Common Shares that were issuable thereunder will be returned to the Share Option Plan and will be eligible for re-issuance.

Subject to receipt of any required regulatory approvals, the Board has the power to amend, suspend, terminate or discontinue the Share Option Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Share Option Plan will, without the prior written consent of all optionees, alter or impair any Option previously granted under the Share Option Plan unless the alteration or impairment occurred as a result of a change in the policies of the TSXV or the Corporation's tier classification thereunder.

As of the date of this Circular, an aggregate of 7,274,037 Options (10% of the issued and outstanding Common Shares) were available for issuance under the Share Option Plan, of which 2,251,741 Options were issued and outstanding under the Share Option Plan (representing 3.1% of the issued and outstanding Common Shares) and 5,040,296 Options remained available for future grants under the Share Option Plan (representing 6.9% of the issued and outstanding Common Shares).

Equity Incentive Plan

The following is a summary of the key provisions of the Equity Incentive Plan. The following summary is qualified in all respects by the full text of the Equity Incentive Plan, a copy of which is attached hereto as **Error! Reference source not found.** All capitalized terms used but not defined in this section shall have the meanings ascribed thereto in the Equity Incentive Plan.

The purpose of the Equity Incentive Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified directors, employees and consultants of the Corporation and its subsidiaries, to reward such of those directors, employees and consultants as may be granted awards under the Equity Incentive Plan by the Board from time to time (collectively, the "**Participants**") for their contributions toward the long term goals and success of the Corporation and to enable and encourage such Participants to acquire Common Shares as long term investments and proprietary interests in the Corporation.

The Equity Incentive Plan will be administered by the Board, or if the administration of the Equity Incentive Plan has been delegated by the Board to the Corporate Governance and Compensation Committee of the Corporation, the Corporate Governance and Compensation Committee (the "**Plan Administrator**").

The Equity Incentive Plan provides for the grant of restricted share units ("**RSUs**"), deferred share units ("**DSUs**") and named executive officer restricted share units ("**NEO RSUs**" and together with the RSUs and DSUS, collectively the "**Awards**").

RSUs shall, unless otherwise determined by the Plan Administrator, vest as to 1/3 on each of the first, second and third anniversaries of the date of grant. Subject to Section 7.2 and Article 8 of the Equity Incentive Plan, on or within 60 days following the vesting date of a RSU, and in any event no later than December 15th of the third year following the year in respect of which the RSU is granted (the "**RSU Settlement Date**"), unless otherwise determined by the Plan Administrator, the Corporation shall settle each vested RSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its sole and absolute discretion (subject to any necessary stock exchange approvals): (i) issuing the Participant one fully paid and non-assessable Common Share issued from treasury to the Participant; (ii) elect to purchase on the open market for the Participant, through a broker designated by the Plan Administrator who is independent from the Corporation and any Affiliate of the Corporation (the "**Designated Broker**"), the number of whole Common Shares that is equal to the number of whole vested RSUs recorded in the Participant's account on the RSU Settlement Date; or (iii) making a cash payment to the Participant.

NEO RSUs granted under the Equity Incentive Plan shall, unless otherwise determined by the Plan Administrator, vest as to 100% on the third anniversary of the date of grant. The Corporation shall pay and settle each vested NEO RSU by any of the following methods or by a combination of such methods (subject to any necessary stock exchange approvals): (i) issuing the Named Executive Officer one (1) fully paid and non-assessable Common Share issued from treasury to the Named Executive Officer; or (ii) subject to the approval of the Plan Administrator, making a cash payment to the Named Executive Officer.

The aggregate number of Awards that may be issued to Participants under the Equity Incentive Plan may not exceed 7,200,000 Awards. The maximum number of Common Shares which may be reserved for issuance under the Equity Incentive Plan, together with any of the Corporation's other security based compensation arrangements, may not exceed 10% of the issued Common Shares.

Unless the Corporation has obtained disinterested shareholder approval, (i) the maximum number of Awards that may be granted to any one Participant under the Equity Incentive Plan, together with any other security based compensation arrangements of the Corporation, within a 12-month period, may not exceed 5% of the issued Common Shares calculated on the date of grant; and the maximum number of Awards that may be granted to any one consultant under the Equity Incentive Plan, together with any other security based compensation arrangements of the Corporation, within a 12-month period, may not exceed 2% of the issued Common Shares calculated on the date of grant.

Except as otherwise provided in an employment agreement, or other written agreement between the Corporation or an Affiliate of the Corporation and a Participant, if within 12 months following the completion of a transaction resulting in a Change in Control (as defined in the Equity Incentive Plan), a Participant's employment or directorship is terminated by the Corporation or an Affiliate of the Corporation without cause, without any action by the Plan Administrator, the vesting of all Awards held by such Participant shall immediately accelerate.

Subject to certain exceptions, the Awards granted under the Equity Incentive Plan will terminate on (a) the date designated by the Participant and the Corporation in a written employment agreement, or other written agreement, or (b) if no written agreement exists, the date designated by the Corporation on which a Participant ceases to be an employee of the Corporation or ceases to provide services to the Corporation (the "**Termination Date**").

To the extent any Awards under the Equity Incentive Plan terminate or are cancelled for any reason prior to exercise in full and the issuance of Common Shares, or are surrendered to the Corporation by the Participant prior to exercise in full and the issuance of Common Shares, except surrenders relating to the payment of the purchase price of any such Award or the satisfaction of the tax withholding obligations related to any such Award, such Awards shall be added back to the amount of Awards reserved for issuance under the Equity Incentive Plan and will again become available for issuance as Awards to be granted under the Equity Incentive Plan. For greater certainty, when Common

Shares have been issued pursuant to an Award, such “issued” Awards will not be added back to the amount of Awards issuable under the Equity Incentive Plan. Any Common Shares issued by the Corporation through the assumption or substitution of equity-based awards from an acquired company shall not reduce the number of Common Shares available for issuance pursuant to the exercise of Awards granted under the Equity Incentive Plan.

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Equity Incentive Plan or any Awards granted pursuant to the Equity Incentive Plan as it, in its discretion determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Equity Incentive Plan or any Awards granted under the Equity Incentive Plan may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Equity Incentive Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or exchange requirements.

Oversight and Description of Named Executive Officer and Director Compensation

The HRGC Committee exercises general responsibility regarding overall executive officer and employee compensation. It determines the total compensation of the Chief Executive Officer, subject to Board approval. The HRGC Committee meets with the Chief Executive Officer to review all other salaries and compensation items. These salaries and compensation items are ultimately approved by the Board annually in the overall general and administrative expense budget.

The current members of the HRGC Committee are Blair Tamblin (Chair), Micheal Lovsin and Roger Daher. Each member of the HRGC Committee is an independent director and is ineligible to participate in any of the Corporation's executive officer compensation programs, other than the Share Option Plan. Each has extensive experience as both a director and officer with various public companies in the design and implementation of executive and employee compensation plans.

The objectives of the Corporation's executive compensation policy are to attract and retain individuals of high caliber to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long term interests of the Corporation's shareholders. Short-term compensation, including base salary and annual performance bonus, is used to attract and retain employees. Long-term compensation, including the Share Option Plan, is used to reward growth in asset value per share. The Corporation's compensation policy is reviewed and examined annually by the HRGC Committee.

The HRGC Committee has considered the implications of the risks associated with the Corporation's compensation policies and practices and did not identify any risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

The Corporation does not have any written policies which prohibit a Named Executive Officer or director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

Executive officer compensation consists of essentially three components: (i) base salary; (ii) annual performance bonus; and (iii) the Share Option Plan. Each component of the Corporation's executive officer compensation arrangements are briefly described below.

Base Salaries

Salaries for executive officers are determined by evaluating the responsibilities of each executive's position, as well as the experience and knowledge of the individual, with a view to market competitiveness. The Corporation benchmarks its executive salaries, by position and responsibility, against other comparable Canadian business enterprises. The HRGC Committee reviews the base salaries for executive officers in the fourth quarter of each financial year of the Corporation for the ensuing year. Annual salary adjustments take into account the market value of the executive's role, the executive's performance throughout the year and the economic factors that affect the Corporation's industry and marketplace.

Retention of Named Executive Officers is a risk considered by the HRGC Committee. The HRGC Committee has taken the position that the personal investment of each of these individuals in the Corporation provides considerable incentive for them to remain as officers of the Corporation.

Annual Performance Bonus

Each executive is eligible to receive an annual bonus (the "**Annual Bonus**") of up to 30% of their annual base salary, based upon achievement of milestones established by the HRGC Committee. The Annual Bonus is determined, at the discretion of the HRGC Committee, on March 31st of each year and is subsequently paid during the first quarter of the following year. If the executive voluntarily resigns from their employment with the Corporation or if their employment is terminated for cause prior to payment of the Annual Bonus, they shall not be entitled to receive payment of the Annual Bonus, or any portion thereof, whether prorated or otherwise.

Each executive is also eligible to receive an additional bonus (the "**Growth Bonus**") based upon achievement of milestones established by the Board and the HRGC Committee. The Growth Bonus earnings are to be calculated on March 31st of each year, are again at the discretion of the HRGC Committee and are subsequently paid during the first quarter of the following year. If the executive voluntarily resigns from their employment with the Corporation or if their employment is terminated for cause prior to payment of the Growth Bonus, they shall not be entitled to receive payment of the Growth Bonus, or any portion thereof, whether prorated or otherwise.

The "**Annual Bonus**" together with the "**Growth Bonus**" are herein referred to as the "**Annual Performance Bonuses**".

The Corporation's Annual Performance Bonuses provide Named Executive Officers and key employees with the opportunity to earn annual incentive awards in respect of their leadership and contribution towards enhanced levels of operating performance. As such, the Annual Performance Bonuses are designed to increase alignment with the Corporation's strategic and operational goals with awards earned based on the achievement of both financial and personal performance goals.

The "financial performance" of each executive is measured and calculated on three pre-established annual financial performance measures (the "**Financial Performance Measures**"). The Financial Performance Measures are designed around five key drivers of profitability and operational cash flow, namely: (i) revenue growth; (ii) gross profit improvement; (iii) SG&A expenses improving as a percentage of net revenue; (iv) EBITDA growth; and (v) effective acquisition integration. For each Financial Performance Measure, there are three performance levels set: threshold, target and maximum.

The "personal performance" of each executive is measured against the extent to which each executive achieves his or her personal strategic objectives ("**Personal Strategic Objectives**"). The Personal Strategic Objectives are set by the executives in conjunction with the Chief Executive Officer at the commencement of each fiscal year and are expressed with reference to specific, measurable targets and given a weighting for each.

Share Option Plan

Options are granted by either the Board or the HRGC Committee. In monitoring or adjusting the option allotments, the Board or the HRGC Committee, as the case may be, takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous Option grants and the objectives set for the Named Executive Officers. The scale of Options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or the HRGC Committee will make these determinations subject to and in accordance with the provisions of the Share Option Plan. See Appendix "A" for further details regarding the Share Option Plan.

All non-executive directors are entirely compensated through the grant of Options under the Share Option Plan, which align the interests of directors and shareholders over the longer term (intended to reward long-term growth in the Corporation's share value).

Pension Disclosure

The Corporation has no pension or retirement plans for its directors, officers or employees.

MANAGEMENT CONTRACTS

The Corporation has not entered into any significant management contracts. No management functions of the Corporation or any of its subsidiaries are to any substantial degree performed other than by the directors or executives of the Corporation or subsidiary.

CORPORATE GOVERNANCE DISCLOSURE

Board of Directors

The Corporation currently has six directors. Messrs. Daher, Haggarty, Lovsin and Tamblyn and Ms. Pacella are considered to be independent of the Corporation for the purposes of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* of the Canadian Securities Administrators ("**NI 58-101**"). Mr. von Teichman, the Chairman, President and Chief Executive Officer of the Corporation, is an executive officer of the Corporation, and, accordingly, is not considered to be independent of the Corporation for the purposes of NI 58-101.

The Board is generally responsible for managing the business and affairs of the Corporation. The primary responsibility of the Board is to promote the best interests of the Corporation and its shareholders. This responsibility includes: (i) approving annual budgets; (ii) outlining key operating parameters, including debt levels and ratios; (iii) evaluating the performance of the Corporation and its executive officers; (iv) determining, evaluating and fixing the compensation of executive officers; (v) adopting policies of corporate governance and conduct; (vi) considering risk management matters and hedging policies; (vii) reviewing the process of providing appropriate financial and operational information to shareholders and the public generally; and (viii) evaluating the overall effectiveness of the Board. The Board explicitly acknowledges its responsibility for the stewardship of the Corporation. The Board reviews with management matters of strategic planning, business risk identification, succession planning, communications policy and integrity of internal control and management information systems. The Board fulfils its responsibilities through regular meetings. It meets a minimum of four times per year. In addition, the Board meets at such other times as may be required if it is not possible to deal with the Corporation's business at a regularly scheduled meeting.

Directorships

The following directors of the Corporation are presently directors of the following other reporting issuers (or the equivalent in a foreign jurisdiction):

Name of Director	Other Reporting Issuers

James Haggarty	Havilah Mining Corporation
Blair Tamblyn	Timbercreek Financial Corporation StorageVault Canada Inc.

Messrs. Lovsin and von Teichman and Ms. Pacella are not directors of any other reporting issuers (or the equivalent in a foreign jurisdiction).

Orientation and Continuing Education

New directors receive an information package which includes, among other things, the Corporation's policies and committee mandates, public disclosure filings, and reports on operations and results. Board committee meetings are sometimes held at the Corporation's offices and are combined with presentations by the Corporation's management and employees to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available for discussion with all directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board is responsible for identifying new candidates for board nomination. The Board considers its size each year when it considers the number of directors to nominate for election at the annual meeting of shareholders, taking into account the number required to carry out the duties of the Board effectively and to maintain a diversity of views and experience. The Board may consider candidates proposed by directors, management or shareholders, taking into consideration the skills, attributes and experience of potential candidates.

Compensation

The current members of the HRGC Committee are Blair Tamblyn (Chair), Micheal Lovsin and Roger Daher. Each member of the HRGC Committee is independent of the Corporation.

The HRGC Committee is responsible for assisting the Board in determining the compensation strategies for the Corporation, recommending the forms and amounts of compensation for directors, executive officers and other employees and assessing the performance of executive officers in fulfilling their responsibilities and meeting corporate objectives. The HRGC Committee is also responsible for assessing the performance of the President and Chief Executive Officer. The HRGC Committee holds meetings as warranted with respect to executive officer appointments or other compensation related matters.

See the discussion under the heading "*Statement of Executive Compensation – Oversight and Description of Named Executive Officer and Director Compensation*" above for further information on compensation made to certain executive officers and to directors of the Corporation.

- 3.1 The Exercise Price of an Option will be set by the Board on the Effective Date of the Option and cannot be less than the Discounted Market Price.

Term of Option

- 3.2 An Option can be exercisable for a maximum of 10 years from the Effective Date.

Option Amendment

- 3.3 Subject to Section 2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the Effective Date, the date the Common Shares commenced trading on the TSX Venture, and the date of the last amendment of the Exercise Price.
- 3.4 An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in Section 3.2.
- 3.5 Any proposed amendment to the terms of an Option must be approved by the TSX Venture prior to the exercise of such Option.

Vesting of Options

- 3.6 Subject to Section 3.7, vesting of Options shall be at the discretion of the Board, and will generally be subject to:
- (i) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
 - (ii) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.

Vesting of Options Granted to Consultants Conducting Investor Relations Activities

- 3.7 Notwithstanding Section 3.6, Options granted to Consultants conducting Investor Relations Activities will vest:

 - (ii) such longer vesting period as the Board may determine.

Effect of Take-Over Bid

- 3.8 If a Take-Over Bid is made to the shareholders, all options issued to directors, officers, employees and consultants that are not yet fully vested will immediately become fully vested, unless such options are subject to vesting restrictions in accordance with TSX Venture policies.

- 3.9 If a Take-Over Bid is made to the shareholders generally then the Company shall, immediately upon receipt of notice of the Take-Over Bid, notify each Optionee currently holding an Option of the Take-Over Bid, with full particulars thereof whereupon such Option may, subject to receipt of Regulatory Approval and notwithstanding Section 3.6, Section 3.7 and Section 3.7 be immediately exercised in whole or in part by the Optionee.

Extension of Options Expiring During Blackout Period

- 3.10 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding Section 2.8, the tenth Business Day period referred to in this Section 3.10 may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

- 3.11 No Option may be exercised after the earlier of the date the Service Provider has left his employ/office and the date that the Service Provider has been advised by the Company that his services are no longer required or his service contract has expired (the "Termination Date"), except as follows:
- (i) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
 - (ii) Options granted to a Service Provider conducting Investor Relations Activities will expire 90 days after the Termination Date, but only to the extent that such Option has vested as at the Termination Date;
 - (iii) any Option granted to an Optionee other than one conducting Investor Relations Activities will expire one year after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; and
 - (iv) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Non Assignable

- 3.12 Subject to Section 3.11, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

- 3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following
- (i) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefore;

- (ii) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
- (iii) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
- (iv) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this Section 3.13;
- (v) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (vi) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this Section 3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and
- (vii) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this Section 3.13, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records. Such determination will be binding upon the Company and all Optionees.

ARTICLE 4
COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

- 4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

Manner of Exercise

- 4.2 An Optionee who wishes to exercise his Option may do so by delivering
- (a) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) a certified cheque, wire transfer or bank draft payable to the Company for the aggregate Exercise Price by the Optioned Shares being acquired.

Tax Withholding and Procedures

- 4.3 Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out elsewhere in this Plan, and as a condition of exercise:
- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
 - (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.

Delivery of Certificate and Hold Periods

- 4.4 As soon as practicable after receipt of the notice of exercise described in Section 4.2 and payment in full for the Optioned Shares being acquired, the Company will direct its transfer agent to issue a certificate to the Optionee for the appropriate number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. Further, if the Exercise Price is set below than the then current market price of the Common Shares on the TSX Venture, the certificate will also bear a legend stipulating that the Optioned Shares are subject to a four-month TSX Venture hold period commencing the date of the grant of the Option.

ARTICLE 5 **GENERAL**

Employment and Services

- 5.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

No Representation or Warranty

- 5.2 The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Common Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Company.

Interpretation

5.3 The Plan will be governed and construed in accordance with the laws of the Province of British Columbia.

Effective Date of Plan

5.4 The Plan will become effective from and after May 1, 2014.

- (h) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

3.2 *Delegation to Committee*

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to the Corporate Governance and Compensation Committee of the Corporation (the “Committee”) all or any of the powers conferred on the Plan Administrator pursuant to this Plan, including the power to sub-delegate to any specified Director(s) or officer(s) of the Corporation or its subsidiaries all or any of the powers delegated by the Board. In such event, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. 3.4 *Eligibility*

All Directors, Employees and Consultants are eligible to participate in the Plan, subject to Subsection 7.1(e). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Director, Employee or Consultant any right to receive any grant of an Award pursuant to the Plan. The extent to which any Director, Employee or Consultant is entitled to receive a grant of an Award pursuant to the Plan will be determined in the sole and absolute discretion of the Plan Administrator. In addition, in order to be eligible to receive Awards, in the case of Employees or Consultants, the Award Agreement to which they are party must contain a representation of the Corporation that such Employee or Consultant, as the case may be, is a bona fide Employee or Consultant of the Corporation or a Subsidiary.

For greater certainty, when Shares have been issued pursuant to an Award, such "issued" Awards will not be added back to the amount of Awards issuable under the Plan.

 - (i) *the maximum number of Awards that may be granted to any one Participant under the Plan, together with any other Security Based Compensation Arrangements, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Date of Grant; and*
 - (ii) *the maximum number of Awards that may be granted to any one Consultant under the Plan, together with any other Security Based Compensation Arrangements, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Date of Grant.*
- (b) the total value of securities issuable to any one Non-Employee Director under all of the Corporation's Security Based Compensation Arrangements shall not exceed \$50,000 per annum; provided that the foregoing limitation does not apply to: (i) grants of DSUs made in lieu of Director Fees and such DSUs shall not be included in determining the foregoing limit where the aggregate accounting fair value on the date of grant of such DSUs is equal to the amount of the cash retainer or meeting fees in respect of which such DSUs were granted, or (ii) a one-time initial grant to a Non-Employee Director upon such Non-Employee Director joining the Board.

3.8 *Award Agreements*

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, an Award Agreement to each Participant granted an Award pursuant to this Plan.

3.9 *Non-transferability of Awards*

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

ARTICLE 4 RESTRICTED SHARE UNITS

4.1 *Granting of RSUs*

The Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant.

4.2 *RSU Account*

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.

4.3 *Vesting of RSUs*

RSUs shall, unless otherwise determined by the Plan Administrator, and as specifically set out in the Award Agreement, vest as to 1/3 on each of the first, second and third anniversaries of the Date of Grant.

4.4 *Settlement of RSUs*

- (a) Subject to Section 7.2 and Article 8, on or within 60 days following the vesting date of a RSU, and in any event no later than December 15 of the third year following the year in respect of which the RSU is granted (the "RSU Settlement Date"), unless otherwise determined by the Plan Administrator or specified in the applicable Award Agreement, the Corporation shall settle each vested RSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its sole and absolute discretion (subject to any necessary Exchange approvals):
- (i) *issuing the Participant one (1) fully paid and non-assessable Share issued from treasury to the Participant (less any amounts in respect of applicable withholding taxes);*
 - (ii) *elect to purchase on the open market for the Participant, through a broker designated by the Plan Administrator who is independent from the Corporation and any Affiliate of the Corporation (the "Designated Broker"), the number of whole Shares that is equal to the number of whole vested RSUs recorded in the Participant's account on the RSU Settlement Date (less any amounts in respect of applicable withholding taxes). If the Corporation elects to arrange for the purchase of Shares by a Designated Broker on behalf of the Participant, the Corporation shall contribute to the Designated Broker an amount of cash sufficient, together with any reasonable brokerage fees or commission fees related thereto, to purchase the whole number of Shares to which the Participant is entitled and the Designated Broker shall, as soon as practicable thereafter, purchase those Shares, on behalf of such Participant, on the Exchange (or other stock exchange on which the Shares are listed or traded); or*
 - (iii) *subject to the approval of the Plan Administrator, making a cash payment to the Participant (less any amounts in respect of applicable withholding taxes).*

For greater certainty, nothing in this Section 4.4(a) shall cause unvested RSUs to vest by the RSU Settlement Date if such RSUs would not have otherwise vested pursuant to the terms of the Award Agreement or the Plan Administrator's determinations; and such unvested RSUs **shall terminate** on such RSU Settlement Date without the Corporation delivering Shares or making a cash payment to the Participant as set forth in this Section 4.4(a).

A holder of RSUs shall not have any right to demand, be paid in, or receive any specific allocation of Shares or a cash payment in respect of a vested RSU at any time. Notwithstanding any allocation by the Plan Administrator to settle vested RSUs, or portion thereof, in Shares or make a cash payment therefore, the Corporation reserves the right to change its allocation in respect thereof at

any time up until payment is actually made, and the holder of such vested RSUs shall not have the right, at any time to enforce settlement as to the allocation of Shares or cash payment.

The RSUs in respect of which Shares are issued or a cash payment is made shall be cancelled and no further issuances or payments shall be made to the Participant under the Plan in relation to such RSUs.

- (b) Any cash payments made under this Section 4.4 by the Corporation to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the RSU Settlement Date, net of applicable withholding taxes.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the RSU Settlement Date falls within.

ARTICLE 5 NEO RSUS

5.1 *Granting of NEO RSUs*

The Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant NEO RSUs to any NEO.

5.2 *NEO RSU Account*

All NEO RSUs received by a NEO shall be credited to an account maintained for the NEO on the books of the Corporation, as of the Date of Grant. The terms and conditions of each NEO RSU grant shall be evidenced by an Award Agreement.

5.3 *Vesting of NEO RSUs*

NEO RSUs granted hereunder shall, unless otherwise determined by the Plan Administrator, and as specifically set out in the Grant Agreement, vest as to 100% on the third anniversary of the Date of Grant.

5.4 *Settlement of NEO RSUs*

- (a) Subject to Section 6.2 and Article 7, a NEO who wishes to receive payment and settle Awards for any vested NEO RSUs may do so by delivering a notice (a "NEO RSU Election Notice") to the Corporation stating the amount of NEO RSUs that such NEO wishes to settle, including the amount of Shares, cash payment or any combination thereof that the NEO wishes to receive in payment and settlement for such vested NEO RSUs. Unless otherwise determined by the Plan Administrator or specified in the applicable Award Agreement, on or within 15 days following receipt of such a NEO RSU Election Notice from a NEO (the "NEO RSU Settlement Date"), the Corporation shall pay and settle each vested NEO RSU by any of the following methods or by a combination of such methods in accordance with the NEO RSU Election Notice (subject to any necessary Exchange approvals):
 - (i) *issuing the NEO one (1) fully paid and non-assessable Share issued from treasury to the NEO (less any amounts in respect of applicable withholding taxes); or*
 - (ii) *subject to the approval of the Plan Administrator, making a cash payment to the NEO (less any amounts in respect of applicable withholding taxes).*

For greater certainty, nothing in this Section 5.4(a) shall cause unvested NEO RSUs to vest by the NEO RSU Settlement Date if such NEO RSUs would not have otherwise vested pursuant to the terms of the Award Agreement or the Plan Administrator's determinations.

The Corporation shall not have any right to demand a NEO settle Awards, or settle or pay Awards in, any specific allocation of Shares or cash payment in respect of a vested NEO RSU at any time unless such settling or payment in respect of such vested NEO RSUs is in accordance with the NEO RSU Election Notice.

The NEO RSUs in respect of which Shares are issued or a cash payment is made shall be cancelled and no further issuances or payments shall be made to the NEO under the Plan in relation to such NEO RSUs.

- (b) Any cash payments made under this Section 5.4 by the Corporation to a NEO in respect of NEO RSUs to be redeemed for cash shall be calculated by multiplying the number of NEO RSUs to be redeemed for cash by the Market Price per Share as at the NEO RSU Settlement Date, net of applicable withholding taxes.
- (c) Payment of cash to NEOs on the redemption of vested NEO RSUs may be made through the Corporation's payroll in the pay period that the NEO RSU Settlement Date falls within.

ARTICLE 6 ADDITIONAL AWARD TERMS

6.1 *Dividend Equivalents*

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, RSUs, and NEO RSUs shall be credited with dividend equivalents in the form of additional RSUs, and NEO RSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, and NEO RSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's accounts shall vest in proportion to the RSUs, NEO RSUs to which they relate, and shall be settled in accordance with Subsections 4.4 and 5.4, respectively.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

6.2 *Black-out Period*

If a settlement date for an Award occurs during, or within five business days after, a routine or special trading black-out period imposed by the Corporation to restrict trades in the Corporation's securities, then, notwithstanding any other provision of this Plan, unless the delayed expiration would result in tax penalties, the Award shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Corporation.

6.3 *Withholding Taxes*

The granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an

Affiliate of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or an Affiliate of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Awards granted under the Plan, whether arising as a result of the grant or payment in respect of the Award or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any person regarding the tax treatment of an Award or issuances of Shares or cash payments made under the Plan and none of the Corporation, the Board, the Plan Administrator or any of the Corporation's or its Affiliate's directors, officers, employees, consultants, agents, advisors or representatives shall have any liability to a Participant with respect thereto.

6.4 *Recoupment*

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or an Affiliate of the Corporation and in effect at the Date of Grant of the Award, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 6.4 to any Participant or category of Participants.

ARTICLE 7 TERMINATION OF EMPLOYMENT OR SERVICES

7.1 *Termination of Employee, Director or Consultant*

Subject to Section 7.2, unless otherwise determined by the Plan Administrator or as set forth in an Award Agreement:

- (a) where a Participant's employment or services are terminated by the Corporation or an Affiliate of the Corporation for Cause, then each Award held by the Participant that has not vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. In addition, where a Participant's employment or services are terminated by the Corporation or an Affiliate of the Corporation for Cause, the Plan Administrator may, in its sole discretion, determine that all Awards held by the Participant that have vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Awards held by the Participant that have vested as of the Termination Date shall be settled in accordance with Sections 4.4, and 5.4 hereof, as applicable;
- (b) where the Participant ceases to hold office or his or her position, as applicable, by reason of the voluntary resignation by the Participant, then each Award held by the Participant that has not vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Awards held by the Participant that have vested as of the Termination Date shall be settled in accordance with Sections 4.4, and 5.4 hereof, as applicable;
- (c) where a Participant's employment or services are terminated by the Corporation or an Affiliate of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) *a portion of any Awards not yet vested shall immediately vest and be settled in accordance with Section 4.4, and 5.4 hereof, as applicable, such portion to be equal to the number of unvested Awards multiplied by a fraction the numerator of which is the number of days*

between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Awards were originally scheduled to vest. For clarity and by way of example, if a participant's employment is terminated 400 days following the Date of Grant and unvested Awards were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Awards will immediately vest; and

- (ii) *subject to Subsection 7.1(c)(i), any Awards held by the Participant that are not yet vested at the Termination Date after the application of Subsection 7.1(c)(i) shall be immediately forfeited to the Corporation;*
- (d) where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Award held by the Participant that has not vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be settled in accordance with Sections 4.4, and 5.4 hereof, as applicable;
- (e) a Participant's eligibility to receive further grants of Awards under this Plan ceases as of:
 - (i) *the date that the Corporation or an Affiliate of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 7.1, notwithstanding that such date may be prior to the Termination Date; or*
 - (ii) *the date of the death or Disability of the Participant; and*
- (f) notwithstanding Subsection 7.1(c), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Awards are not affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or an Affiliate of the Corporation for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or an Affiliate of the Corporation.

7.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 7.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement or other written agreement between the Corporation or an Affiliate of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Awards occurs, then such awards will be settled in accordance with Sections 4.4, and 5.4 hereof, as applicable.

7.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 8 EVENTS AFFECTING THE CORPORATION

8.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving

the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this 8 would have an adverse effect on this Plan or on any Award granted hereunder.

8.2 *Change in Control*

Except as may be set forth in an employment agreement, or other written agreement between the Corporation or an Affiliate of the Corporation and the Participant:

- (a) Notwithstanding anything else in this Plan or any Award Agreement, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause: (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become realizable, or payable; (iii) restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such merger or Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or Change in Control; (iv) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment); (v) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this subparagraph (a), the Plan Administrator will not be required to treat all Awards similarly in the transaction.
- (b) Notwithstanding Section 7.1, and except as otherwise provided in an employment agreement, or other written agreement between the Corporation or an Affiliate of the Corporation and a Participant, if within 12 months following the completion of a transaction resulting in a Change in Control, a Participant's employment or directorship is terminated by the Corporation or an Affiliate of the Corporation without Cause, without any action by the Plan Administrator, the vesting of all Awards held by such Participant shall immediately accelerate.

8.3 *Reorganization of Corporation's Capital*

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator may, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.4 *Other Events Affecting the Corporation*

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator may, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.5 *Immediate Acceleration of Awards*

Where the Plan Administrator determines that the steps provided in Sections 8.3 and 8.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required to, permit the immediate vesting of any unvested Awards.

8.6 *Issue by Corporation of Additional Shares*

Except as expressly provided in this Article 8, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

8.7 *Fractions*

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this Article 8 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 9 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

9.1 *Amendment, Suspension, or Termination of the Plan*

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion determines appropriate, provided, however, that, subject to Section 8.1(a), no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements.

9.2 *Shareholder Approval*

Notwithstanding Section 9.1 and subject to any rules of the Exchange, approval of the holders of Shares shall be required for any amendment, modification or change that:

- (a) increases the number of Shares reserved for issuance under the Plan, except pursuant to the provisions under Article 8 which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the limits on Shares issuable or issued to Participants as set forth in Subsections 3.6(a) or 3.6(b);
- (c) increases or removes the limits on Shares issuable or issued to Participants or Consultants as set forth in Subsection 3.7(a);
- (d) increases or removes the limits on Shares issuable or issued to Non-Executive Directors as set forth in Subsection 3.7(b);
- (e) permit a holder to transfer or assign Awards to a new beneficial holder other than in the case of the death of the holder; or

- (f) an amendment to amend this Section 9.2.

9.3 *Permitted Amendments*

Without limiting the generality of Section 9.1, but subject to Section 9.2, the Plan Administrator may, without Shareholder Approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in Article 7;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants; or
- (e) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 10 MISCELLANEOUS

10.1 *Legal Requirement*

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its sole discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

10.2 *No Other Benefit*

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

10.3 *Rights of Participant*

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an employee, consultant or director of the Corporation or an Affiliate of the Corporation. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

10.4 *Corporate Action*

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

10.5 *Conflict*

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern. In the event of any conflict between or among the provisions of this Plan, an Award Agreement and (i) an employment agreement or other written agreement between the Corporation or an Affiliate of the Corporation and a Participant which has been approved by the Chief Executive Officer of the Corporation (or where the Participant is the Chief Executive Officer, approved by a Director), the provisions of the employment agreement or other written agreement shall govern and (ii) any other employment agreement or other written agreement between the Corporation or an Affiliate of the Corporation and a Participant, the provisions of this Plan shall govern.

10.6 *Anti-Hedging Policy*

By accepting the Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

10.7 *Participant Information*

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer to the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

10.8 *Participation in the Plan*

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

10.9 *Successors and Assigns*

The Plan shall be binding on all successors and assigns of the Corporation and its Affiliates.

10.10 *General Restrictions and Assignment*

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

10.11 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

10.12 Notices

All written notices to be given by the Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:

GreenSpace Brands Inc.
176 St. George Street
Toronto, ON
Canada, M5R 2M7
Attention: Chief Executive Officer

All notices to the Participant will be addressed to the principal address of the Participant on file with the Corporation. Either the Corporation or the Participant may designate a different address by written notice to the other. Such notices are deemed to be received, if delivered personally or by e-mail, on the date of delivery, and if sent by mail, on the fifth business day following the date of mailing. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

10.13 Effective Date

This Plan becomes effective on a date the Plan is approved by the Board, being the Effective Date, subject to the approval of the shareholders of the Corporation.

10.14 Governing Law

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

10.15 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of Ontario in respect of any action or proceeding relating in any way to the Plan, including with respect to the grant of Awards and any issuance of Shares made in accordance with the Plan.

APPENDIX "D"
EQUITY INCENTIVE PLAN RESOLUTION

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF DISINTERESTED SHAREHOLDERS THAT:

1. the equity incentive plan of the Corporation attached as Appendix "A" to the management information circular of the Corporation dated August 10, 2018 be, and the same hereby is, confirmed and approved as the equity incentive plan of the Corporation; and
2. any director or officer of the Corporation be and is hereby authorized and directed, for and on behalf of the Corporation, to do all such acts and things and to execute and deliver, under the corporate seal of the Corporation or otherwise, all such deeds, documents, instruments and assurances and take such other actions as such director or officer may determine to be necessary or advisable to implement this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such action."

APPENDIX "E"
CHANGE OF CONTROL PROVISION IN NEO EMPLOYMENT AGREEMENTS

A "Change of Control" shall mean the occurrence, during the term of this Agreement, of any of the following:

- (i) the acceptance by the shareholders of the Corporation (the "**Shareholders**"), representing in the aggregate more than 50% of all issued and outstanding shares, of any offer, whether by way of a take-over bid or otherwise, for all or any of the shares of the Corporation (the "**Shares**");
- (ii) the acquisition hereafter, by whatever means (including, without limitation, by way of an arrangement, merger or amalgamation), by any person (or two or more persons acting jointly or in concert), directly or indirectly, of the beneficial ownership of Shares or rights to acquire Shares that, together with such person's then owned Shares and rights to acquire Shares, if any, represent in the aggregate more than fifty percent (50%) of all issued and outstanding Shares, excluding any such acquisition occurring in conjunction with the sale of assets to the Corporation in the ordinary course of the Corporation's business;
- (iii) the passing of a resolution by the Board or the Shareholders to substantially liquidate the assets or wind-up or significantly rearrange the affairs of the Corporation in one or more transactions or series of transactions (including by way of an arrangement, merger or amalgamation) or the commencement of proceedings for such a liquidation, winding-up or re-arrangement;
- (iv) the sale by the Corporation of all or substantially all of its assets (other than to an affiliate of the Corporation in circumstances where the affairs of the Corporation are continued, directly or indirectly, and where shareholdings of the Corporation remain substantially the same following the sale as existed prior to the sale);
- (v) persons who were proposed as nominees (but not including nominees under a Shareholders proposal) to become directors of the Corporation immediately prior to a meeting of the Shareholders involving a contest for, or an item of business relating to the election of directors of the Corporation, not constituting a majority of the directors of the Corporation following such election; or
