Forward-Looking Statements

Certain statements in this press release constitute forward-looking statements within the meaning of applicable securities laws. Forward-looking statements include, but are not limited to, statements made under the heading "Outlook" and other statements concerning the Company's 2018 objectives, strategies to achieve those objectives, as well as statements with respect to management's beliefs, plans, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations that are not historical facts. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "outlook", "objective", "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "should", "plans" or "continue", or similar expressions suggesting future outcomes or events. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those contemplated by such statements, and there can be no assurance that actual results will be consistent with these forward-looking statements. Factors that could cause such differences include the cyclical nature of the construction and agriculture industries, changes in general economic conditions and interest rates, adverse weather, cost and availability of materials used to manufacture the Company's products, competitive developments, legislative and government policy changes, as well as other risk factors included in the Company's Annual Information Form under the heading "Risks and Uncertainties Related to the Business" and as described from time to time in the reports and disclosure documents filed by the Company with Canadian securities regulatory agencies and commissions. This list is not exhaustive of the factors that may impact the Company's forward-looking statements. These and other factors should be considered carefully, and readers should not place undue reliance on the Company's forward-looking statements. As a result of the foregoing and other factors, no assurance can be given as to any such future results, levels of activity or achievements or levels of dividends and neither the Company nor any other person assumes responsibility for the accuracy and completeness of these forward-looking statements. The factors underlying current expectations are dynamic and subject to change. Certain statements included in this press release may be considered "financial outlook" for purposes of applicable securities laws, and such financial outlook may not be appropriate for all purposes. All forward-looking statements in this press release are qualified by these cautionary statements. The forward-looking statements contained herein are made as of the date of this press release, and except as required by applicable law, the Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

Neither the TSX Venture Exchange nor its regulation services provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
