

**GREENSPACE BRANDS INC.
MANAGEMENT INFORMATION CIRCULAR
February 4th, 2022**

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the "Circular") is furnished in connection with the solicitation of proxies by the management of GreenSpace Brands Inc. ("GreenSpace" or the "Corporation") for use at the annual and special meeting (the "Meeting") of the shareholders of the Corporation to be held via teleconference at 10:00 a.m. (Toronto time), on Friday, March 11, 2022 and at all adjournments thereof for the purposes set forth in the accompanying notice of meeting (the "Notice of Meeting").

The solicitation of proxies will be made primarily by mail and may be supplemented by telephone or other personal contact by the directors, officers and employees of the Corporation. Directors, officers and employees of the Corporation will not receive any extra compensation for such activities. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting. The Corporation may pay brokers or other persons holding common shares in the capital of the Corporation ("**Common Shares**") in their own names, or in the names of nominees, for their reasonable expenses for sending forms of proxy and this Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The cost of any such solicitation will be borne by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information contained herein since the date hereof.

Unless otherwise specified, the information contained herein is given as at February 4th, 2022.

Appointment of Proxies

A registered shareholder of the Corporation may vote in person at the Meeting or may appoint another person to represent such shareholder as proxy and to vote the Common Shares of such shareholder at the Meeting. In order to appoint another person as proxy, such shareholder must complete, execute and deliver

the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The persons named in the form of proxy accompanying this Circular are officers and/or directors of the Corporation. A shareholder of the Corporation has the right to appoint a person or company (who need not be a shareholder of the Corporation), other than the persons designated in the form of proxy, to represent such shareholder at the Meeting and at any adjournment thereof. Such right may be exercised by either striking out the names of the persons designated in the form of proxy and inserting the name of the person to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed form of proxy to Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, no later than 10:00 a.m. (Toronto time) on Wednesday, March 9, 2022 (or no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to any reconvened Meeting in the event of an adjournment of the Meeting) or depositing the completed and executed form of proxy with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof. Voting instructions may also be provided by internet or telephone by following the instructions on the form of proxy.

Signing of Proxy

The form of proxy must be signed by the shareholder of the Corporation or the duly appointed attorney thereof authorized in writing or, if the shareholder of the Corporation is a corporation, by an authorized officer of such corporation. A form of proxy signed by the person acting as attorney of the shareholder of the Corporation or in some other representative capacity, including an officer of a corporation which is a shareholder of the Corporation, should indicate the capacity in which such person is signing. A shareholder of the Corporation or his or her attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such shareholder or by or on behalf of his or her attorney, as the case may be.

Revocation of Proxies

A registered shareholder of the Corporation who has given a proxy may revoke the proxy at any time prior to use by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered shareholder or by his or her attorney who is authorized by a document that is executed in writing or by electronic signature or, if the registered shareholder is a corporation, by an authorized officer or attorney thereof, or transmitting, by telephonic or electronic means, a revocation signed, subject to the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Corporation, located at 3400 One First Canadian Place, P.O. Box 130, Toronto, Ontario, M5X 1A4, at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting or any adjournment thereof, or (ii) the Chairman of the Meeting on the day of the Meeting or any adjournment thereof at swarren@greenspacebrands.com; or (b) in any other manner permitted by law.

Exercise of Discretion by Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be called for at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder of the Corporation contained on the form of proxy and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters described in the Notice of Meeting.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters described in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Corporation knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matter which is not now known to management of the Corporation should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matter in accordance with the judgment of the person named as proxy thereon.

Non-Registered Shareholders

Only registered shareholders of the Corporation, or the persons they appoint as their proxy, are entitled to attend and vote at the Meeting. The Common Shares of a non-registered shareholder (a "**Non-Registered Shareholder**") who beneficially owns Common Shares will generally be registered in the name of either:

- (a) an intermediary (an "**Intermediary**") with whom the Non-Registered Shareholder deals in respect of the Common Shares (including, among others, banks, trust companies, securities dealers or brokers, trustees or administrators of a self-administered registered retirement savings plan, registered retirement income fund, registered education savings plan and similar plans); or
- (b) a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust Company) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Circular and the accompanying form of proxy (collectively, the "**Meeting Materials**") to the Intermediaries for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will be given either:

- (a) a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the voting instruction form to validly constitute a form of proxy, the Non-Registered Shareholder must remove the label from the instructions and affix it to the voting instruction form, properly complete and sign the voting instruction form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or

- (b) a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives either a voting instruction form or a form of proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the form of proxy and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the directions indicated on the form. **Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those instructions regarding when and where the voting instruction form or the form of proxy is to be delivered.**

A Non-Registered Shareholder who has submitted a voting instruction form or form of proxy may revoke it by contacting the Intermediary through which the Common Shares of such Non-Registered Shareholder are held and following the instructions of the Intermediary respecting the revocation of proxies.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The directors of the Corporation have fixed February 9, 2022 as the record date for the determination of the shareholders of the Corporation entitled to receive notice of the Meeting (the "**Record Date**"). Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting and at all adjournments thereof.

As at the Record Date, there were 509,392,281 Common Shares outstanding. Each Common Share entitles the holder thereof to one vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at the Record Date, no person or company beneficially owned, or controlled or directed, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation, other than PenderFund Capital Management Ltd., which owns 165,073,028 Common Shares, or 32.4% of the Common Shares outstanding.

Share Option Plan

The following is a summary of the key provisions of the Share Option Plan. The following summary is qualified in all respects by the full text of the Share Option Plan, a copy of which is attached hereto as Appendix "A".

The Share Option Plan was established to recognize contributions made by directors, officers, employees, management company employees and consultants of the Corporation and its affiliates and to advance the interests of the Corporation and its affiliates by encouraging equity participation in the Corporation.

The Share Option Plan provides for the grant of non-assignable options to purchase Common Shares ("**Options**") to service providers of the Corporation. Under the Share Option Plan, service providers includes the directors, officers, employees and management company employees of the Corporation or an affiliate of the Corporation, and any individual or company engaged to provide ongoing consulting, technical, management or other services to the Corporation or an affiliate of the Corporation, pursuant to a written contract between the Corporation or an affiliate of the Corporation and the individual or company and who, in the reasonable opinion of the Corporation, spends or will spend a significant amount of time and attention on the affairs and business of the Corporation or an affiliate of the Corporation.

The maximum aggregate number of Common Shares that may be reserved for issuance under the Share Option Plan at any point in time is 10% of the number of issued and outstanding Common Shares at the time the Common Shares are reserved for issuance, less any Common Shares reserved for issuance pursuant to share compensation arrangements of the Corporation other than the Share Option Plan. The Share Option Plan is a "**rolling**" maximum share option plan and any increase in the number of the issued and outstanding Common Shares will result in an increase in the number of Common Shares that are available to be issued under the Share Option Plan. Any exercise of an Option issued under the Share Option Plan will increase the number of Common Shares available to be issued under the Share Option Plan by the relevant percentage of the issued and outstanding Common Shares.

Unless the Corporation has obtained disinterested shareholder approval, no service provider may be granted an Option under the Share Option Plan if the grant of that Option would result in the total number of Options granted to such service provider in the previous 12 months, together with grants under share compensation arrangements of the Corporation other than the Share Option Plan, exceeding 5% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Options granted to service providers conducting Investor Relations Activities (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSXV) in any 12-month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Options granted to any one consultant in any 12-month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant. The aggregate number of Common Shares reserved for issuance under Options granted to Insiders (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSXV) must not exceed 10% of the issued and

outstanding Common Shares. The number of Common Shares issued to Insiders within any 12-month period must not exceed 10% of the issued and outstanding Common Shares.

The exercise price of an Option is set by the Board on the date of grant thereof and must not be less than the Discounted Market Price (as defined in section 1.2 of Policy 1.1 – Interpretation in the Corporate Finance Manual of the TSXV). The expiry date of an Option is set by the Board on the date of grant thereof, which date cannot be later than 10 years from the date of grant thereof. However, if the expiry date of an Option falls within a blackout period or within nine business days after the end of a blackout period, such expiry date will be automatically extended without any further act or formality to the date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiry date for such Option for all purposes under the Share Option Plan.

Vesting of Options is at the discretion of the Board, and is generally subject to: (a) the service provider remaining employed by or continuing to provide services to the Corporation or any of its affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its affiliates during the vesting period; or (b) the service provider remaining as a director of the Corporation or any of its affiliates during the vesting period. Notwithstanding the foregoing, Options granted to service providers conducting Investor Relations Activities will vest over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting, or such longer vesting period as the Board may determine. If the Board does not determine a vesting schedule at the time of the grant of an Option, such Option will be exercisable in whole at any time, or in part from time to time, during the term of the Option.

If a take-over bid (within the meaning of the *Securities Act* (Ontario) is made to the shareholders of the Corporation, all Options that are not yet fully vested will immediately become fully vested, unless such Options are subject to vesting restrictions in accordance with the policies of the TSXV, and may, subject to receipt of any required regulatory approvals, be immediately exercised in whole or in part by the optionee in order to permit the Common Shares issuable upon the exercise of such Options to be tendered to such take-over bid..

No Option may be exercised after the earlier of the date the service provider has left his employ/office and the date that the service provider has been advised by the Corporation that his or her services are no longer required or his or her service contract has expired (the "**Termination Date**") except as follows: (a) in the case of the death of a service provider, any vested Option held by him or her at the date of death will become exercisable by the service provider's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such service provider and the date of expiration of the term otherwise applicable to such Option; (ii) any Option granted to a service provider conducting Investor Relations Activities will expire 90 days after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; (iii) any Option granted to a service provider other than one conducting Investor Relations Activities will expire one year after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; and (iv) in the case of a service provider being dismissed from employment or service for cause, such service provider's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

In the event that an Option granted under the Share Option Plan expires unexercised, is terminated or is otherwise lawfully cancelled prior to exercise of the Option, the Common Shares that were issuable thereunder will be returned to the Share Option Plan and will be eligible for re-issuance.

Subject to receipt of any required regulatory approvals, the Board has the power to amend, suspend, terminate or discontinue the Share Option Plan, or revoke or alter any action taken in connection therewith,

except that no general amendment or suspension of the Share Option Plan will, without the prior written consent of all optionees, alter or impair any Option previously granted under the Share Option Plan unless the alteration or impairment occurred as a result of a change in the policies of the TSXV or the Corporation's tier classification thereunder.

As of the date of this Circular, an aggregate of 50,939,228 Options (10% of the issued and outstanding Common Shares less awards outstanding under the Amended and Restated Equity Incentive Plan) were available for issuance under the Share Option Plan, of which 24,389,116 Options were issued and outstanding under the Share Option Plan (representing 4.8% of the issued and outstanding Common Shares) and 26,550,112 Options remained available for future grants under the Share Option Plan (representing 5.2% of the issued and outstanding Common Shares).

Equity Incentive Plan

The Board adopted the Corporation's Equity Incentive Plan (the "**Equity Incentive Plan**") in August 2018 and the Equity Incentive Plan was subsequently approved by disinterested shareholders of the Corporation at the Corporation's annual meeting of shareholders held on September 12, 2018. In February 2019, the Board adopted certain amendments to the Corporation's Equity Incentive Plan (as amended, the "**Amended and Restated Equity Incentive Plan**") in order to incorporate provisions setting out grant and settlement mechanics with respect to the grant of deferred share units and the Amended and Restated Equity Incentive Plan was subsequently approved by disinterested shareholders of the Corporation at the Corporation's annual general meeting of shareholders held on September 26, 2019.

The following is a summary of the key provisions of the Amended and Restated Equity Incentive Plan. The following summary is qualified in all respects by the full text of the Amended and Restated Equity Incentive Plan, a copy of which is contained in the Corporation's management information circular dated August 22, 2019 (the "**2019 Information Circular**"), which is available on the Corporation's SEDAR profile at www.sedar.com on pages C-1 through C-5 of the 2019 Information Circular. All capitalized terms used but not defined in this section shall have the meanings ascribed thereto in the Amended and Restated Equity Incentive Plan.

The purpose of the Amended and Restated Equity Incentive Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified directors, employees and consultants of the Corporation and its subsidiaries, to reward such of those directors, employees and consultants as may be granted awards under the Amended and Restated Equity Incentive Plan by the Board from time to time (collectively, the "**Participants**") for their contributions toward the long term goals and success of the Corporation and to enable and encourage such Participants to acquire Common Shares as long term investments and proprietary interests in the Corporation.

The Amended and Restated Equity Incentive Plan is administered by the Board, or if the administration of the Amended and Restated Equity Incentive Plan has been delegated by the Board to the Human Resources, Governance and Compensation ("**HRGC**") Committee of the Corporation, if any, the HRGC Committee (the "**Plan Administrator**").

The Amended and Restated Equity Incentive Plan provides for the grant of restricted share units ("**RSUs**"), deferred share units ("**DSUs**") and named executive officer restricted share units ("**NEO RSUs**" and together with the RSUs and DSUS, collectively the "**Awards**").

RSUs shall, unless otherwise determined by the Plan Administrator, vest as to 1/3 on each of the first, second and third anniversaries of the date of grant. Subject to Section 7.2 and Article 8 of the Amended and Restated Equity Incentive Plan, on or within 60 days following the vesting date of a RSU, and in any event

no later than December 15th of the third year following the year in respect of which the RSU is granted (the "**RSU Settlement Date**"), unless otherwise determined by the Plan Administrator, the Corporation shall settle each vested RSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its sole and absolute discretion (subject to any necessary stock exchange approvals): (i) issuing the Participant one fully paid and non-assessable Common Share issued from treasury to the Participant; (ii) elect to purchase on the open market for the Participant, through a broker designated by the Plan Administrator who is independent from the Corporation and any affiliate of the Corporation, the number of whole Common Shares that is equal to the number of whole vested RSUs recorded in the Participant's account on the RSU Settlement Date; or (iii) making a cash payment to the Participant.

DSUs granted under the Amended and Restated Equity Incentive Plan shall, unless otherwise determined by the Plan Administrator, vest as to 1/3 on each of the first, second and third anniversaries of the date of grant. Subject to Section 7.2 and Article 8 of the Amended and Restated Equity Incentive Plan, DSUs shall be settled on the date established in the award agreement; provided, however that in no event shall a DSU be settled: (i) prior to the date of the applicable Participant's separation from service; or (ii) subject to the discretion of the Plan Administrator, later than one (1) year following the date of the applicable Participant's separation from service. If the award agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of separation from service (collectively, the "**DSU Settlement Date**"). On the DSU Settlement Date for any DSU, the Corporation shall settle each vested DSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its sole and absolute discretion (subject to any necessary stock exchange approvals): (i) issuing to the Participant one fully paid and non-assessable Common Share issued from treasury to the Participant; or (ii) subject to the approval of the Plan Administrator, making a cash payment to the Participant.

NEO RSUs granted under the Amended and Restated Equity Incentive Plan shall, unless otherwise determined by the Plan Administrator, vest as to 100% on the third anniversary of the date of grant. The Corporation shall pay and settle each vested NEO RSU by any of the following methods or by a combination of such methods (subject to any necessary stock exchange approvals): (i) issuing the Named Executive Officer one (1) fully paid and non-assessable Common Share issued from treasury to the Named Executive Officer; or (ii) subject to the approval of the Plan Administrator, making a cash payment to the Named Executive Officer.

The aggregate number of Awards that may be issued to Participants under the Amended and Restated Equity Incentive Plan may not exceed 7,200,000 Awards. The maximum number of Common Shares which may be reserved for issuance under the Amended and Restated Equity Incentive Plan, together with any of the Corporation's other security-based compensation arrangements, may not exceed 10% of the issued Common Shares at the time of the grant. To the extent any Awards under the Amended and Restated Equity Incentive Plan terminate or are cancelled for any reason prior to exercise in full and the issuance of Common Shares, or are surrendered to the Corporation by the Participant prior to exercise in full and the issuance of Common Shares, except surrenders relating to the payment of the purchase price of any such Award or the satisfaction of the tax withholding obligations related to any such Award, such Awards shall be added back to the amount of Awards reserved for issuance under the Amended and Restated Equity Incentive Plan and will again become available for issuance as Awards to be granted under the Amended and Restated Equity Incentive Plan. However, when Common Shares have been issued pursuant to an Award, such "**issued**" Awards will not be added back to the amount of Awards issuable under the Amended and Restated Equity Incentive Plan. Any Common Shares issued by the Corporation through the assumption or substitution of equity-based awards from an acquired company shall not reduce the number of Common Shares available for issuance pursuant to the exercise of Awards granted under the Amended and Restated Equity Incentive Plan.

Unless the Corporation has obtained disinterested shareholder approval, (i) the maximum number of Awards that may be granted to any one Participant under the Amended and Restated Equity Incentive Plan, together with any other security based compensation arrangements of the Corporation, within a 12-month period, may not exceed 5% of the issued Common Shares calculated on the date of grant; and the maximum number of Awards that may be granted to any one consultant under the Amended and Restated Equity Incentive Plan, together with any other security based compensation arrangements of the Corporation, within a 12-month period, may not exceed 2% of the issued Common Shares calculated on the date of grant.

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee.

Except as otherwise provided in an employment agreement, or other written agreement between the Corporation or an affiliate of the Corporation and a Participant, if within 12 months following the completion of a transaction resulting in a Change in Control (as defined in the Amended and Restated Equity Incentive Plan), a Participant's employment or directorship is terminated by the Corporation or an affiliate of the Corporation without cause, without any action by the Plan Administrator, the vesting of all Awards held by such Participant shall immediately accelerate.

Subject to certain exceptions, the Awards granted under the Amended and Restated Equity Incentive Plan will terminate on (a) the date designated by the Participant and the Corporation in a written employment agreement, or other written agreement, or (b) if no written agreement exists, the date designated by the Corporation on which a Participant ceases to be an employee of the Corporation or ceases to provide services to the Corporation.

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Amended and Restated Equity Incentive Plan or any Awards granted pursuant to the Amended and Restated Equity Incentive Plan as it, in its discretion determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Amended and Restated Equity Incentive Plan or any Awards granted under the Amended and Restated Equity Incentive Plan may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Amended and Restated Equity Incentive Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or exchange requirements.

As of the date of this Circular, there were nil Common Shares issuable in connection with outstanding Awards under the Amended and Restated Equity Incentive Plan and 7,200,000 Common Shares available for issuance in connection with the grant of Awards under the Amended and Restated Equity Incentive Plan.

Oversight and Description of Named Executive Officer and Director Compensation

The HRGC Committee exercises general responsibility regarding overall executive officer and employee compensation. It determines the total compensation of the Chief Executive Officer, subject to Board approval. The HRGC Committee meets with the Chief Executive Officer to review all other salaries and compensation items. These salaries and compensation items are ultimately approved by the Board annually in the overall general and administrative expense budget.

The current members of the HRGC Committee are Tracy Tidy, Michael LeClair, and Glenn Fagan. Messrs. LeClair and Fagan of the HRGC Committee are independent directors and are ineligible to participate in any of the Corporation's executive officer compensation programs, other than the Share Option Plan and the Amended and Restated Equity Incentive Plan. The members have extensive experience as both a director and officer with various public companies in the design and implementation of executive and employee compensation plans. The objectives of the Corporation's executive compensation policy are to attract and retain individuals of high caliber to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long-term interests of the Corporation's shareholders. Short-term compensation, including base salary and annual performance bonus, is used to attract and retain employees. Long-term compensation, including the Share Option Plan and the Amended and Restated Equity Incentive Plan, is used to reward growth in asset value per share. The Corporation's compensation policy is reviewed and examined annually by the HRGC Committee.

The HRGC Committee has considered the implications of the risks associated with the Corporation's compensation policies and practices and did not identify any risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

The Corporation does not have any written policies which prohibit a Named Executive Officer or director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

Executive officer compensation consists of essentially three components: (i) base salary; (ii) annual performance and other bonuses; and (iii) the Share Option Plan and Amended and/or the Restated Equity Incentive Plan. Each component of the Corporation's executive officer compensation arrangements is briefly described below.

Base Salaries

Salaries for executive officers are determined by evaluating the responsibilities of each executive's position, as well as the experience and knowledge of the individual, with a view to market competitiveness. The Corporation benchmarks its executive salaries, by position and responsibility, against other comparable Canadian business enterprises. The HRGC Committee reviews the base salaries for executive officers in the fourth quarter of each financial year of the Corporation for the ensuing year. Annual salary adjustments take into account the market value of the executive's role, the executive's performance throughout the year and the economic factors that affect the Corporation's industry and marketplace.

Retention of Named Executive Officers is a risk considered by the HRGC Committee. The HRGC Committee has taken the position that the personal investment of each of these individuals in the Corporation provides considerable incentive for them to remain as officers of the Corporation.

Annual Performance Bonus

Each executive is eligible to receive an annual bonus (the "**Annual Bonus**") of up to 35% of their annual base salary, based upon achievement of milestones established by the HRGC Committee. The Annual Bonus is determined, at the discretion of the HRGC Committee, on March 31st of each year and is subsequently paid following the release of the audited financial statements for the fiscal year. If the executive voluntarily resigns from their employment with the Corporation or if their employment is terminated for cause prior to payment of the Annual Bonus, they shall not be entitled to receive payment of the Annual Bonus, or any portion thereof, whether prorated or otherwise.

The Corporation's Annual Bonus provide Named Executive Officers and key employees with the opportunity to earn annual incentive awards in respect of their leadership and contribution towards enhanced levels of operating performance. As such, the Annual Bonus is designed to increase alignment with the Corporation's strategic and operational goals with awards earned based on the achievement of both financial and personal performance goals.

The "financial performance" of each executive is measured and calculated on pre-established annual financial performance measures (the "**Financial Performance Measures**").

The "personal performance" of each executive is measured against the extent to which each executive achieves his or her personal strategic objectives ("**Personal Strategic Objectives**"). The Personal Strategic

Objectives are set by the executives in conjunction with the Chief Executive Officer at the commencement of each fiscal year and are expressed with reference to specific, measurable targets and given a weighting for each.

The Board reserves the right to modify this program at any time, in its sole discretion.

Brand-level Profit Sharing Bonus for Brand Presidents and the CEO

On July 10, 2019, the Board approved the creation of a profit-sharing plan tied to individual brand performance. Under this program Brand Presidents in-role at July 10, 2019, had the potential to earn a bonus equal to 1% of the earnings before interest taxes depreciation and amortization ("**EBITDA**") generated by their brand after allocation of any shared services. A minimum level of brand EBITDA (as determined by the Board in its sole discretion) must be met or exceeded for any Brand President to earn a profit-sharing bonus under this program.

On July 10, 2019, the Board approved a similar profit-sharing bonus for the CEO in-role at July 10, 2019, for 0.25% of the Corporation's EBITDA, on the same terms as set out above.

Brand-level Change of Control Bonus

In the event of a sale of a brand at any time (a defined term within the bonus program approved by the Board), Brand Presidents in-role at the time this bonus was approved by the Board on July 10, 2019, will be awarded 1% of the incremental value over and above a baseline value of the brand, which will be determined as 1x trailing 12 months net sales as of April 1st 2019.

For greater clarity, if Brand A was valued at \$10 million due to the April 1st 2019 trailing 12- month net revenues being \$10 million, and 2 years later the brand was sold for \$20 million, then the eligible Brand President, who must still be the active President in that brand at the time of sale, would be entitled to a bonus of \$100,000 (1% of the delta between the original value and the realized value in a sale). In the instance of the Love Child Organics Brand President, the relevant change of control bonus is 2%.

A Corporation-level Change of Control would not trigger this brand-level Change of Control bonus.

Share Option Plan and Equity Incentive Plan

Options and Awards are granted by either the Board or the HRGC Committee. In monitoring or adjusting the Option and Award allotments, the Board or the HRGC Committee, as the case may be, takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous Option and Award grants and the objectives set for the Named Executive Officers. The scale of Options and Awards is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or the HRGC Committee will make these determinations subject to and in accordance with the provisions of the Share Option Plan and the Amended and Restated Equity Incentive Plan. See Appendix "A" for further details regarding the Share Option Plan. For further details regarding the Amended and Restated Equity Incentive Plan, see the 2019 Information Circular, which is available on the Corporation's SEDAR profile at www.sedar.com.

All independent, non-executive directors are entirely compensated through director fees and the grant of Options under the Share Option Plan and/or the Awards under the Amended and Restated Equity Incentive Plan, which align the interests of directors and shareholders over the longer term (intended to reward long-term growth in the Corporation's share value).

Pension Disclosure

The Corporation has no pension or retirement plans for its directors, officers or employees.

CORPORATE GOVERNANCE DISCLOSURE

Board of Directors

The Corporation currently has four directors: Paul Henderson, Tracy Tidy, Michael LeClair, and Glenn Fagan. Messrs. LeClair and Fagan are considered to be independent of the Corporation for the purposes of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* of the Canadian Securities Administrators ("**NI 58-101**"). Mr. Henderson, the former Executive Chairman and former Interim Chief Executive Officer of the Corporation, was an executive officer of the Corporation during the past three years, and, accordingly, is not considered to be independent of the Corporation for the purposes of NI 58-101. Ms. Tidy, a director, is an employee of an affiliated entity, and, accordingly, is not considered to be independent of the Corporation for the purposes of NI 58-101.

The Board is generally responsible for managing the business and affairs of the Corporation. The primary responsibility of the Board is to promote the best interests of the Corporation and its shareholders. This responsibility includes: (i) approving annual budgets; (ii) outlining key operating parameters, including debt levels and ratios; (iii) evaluating the performance of the Corporation and its executive officers; (iv) determining, evaluating and fixing the compensation of executive officers; (v) adopting policies of corporate governance and conduct; (vi) considering risk management matters and hedging policies; (vii) reviewing the process of providing appropriate financial and operational information to shareholders and the public generally; and (viii) evaluating the overall effectiveness of the Board. The Board explicitly acknowledges its responsibility for the stewardship of the Corporation. The Board reviews with management matters of strategic planning, business risk identification, succession planning, communications policy and integrity of internal control and management information systems. The Board fulfils its responsibilities through regular meetings. It meets a minimum of four times per year. In addition, the Board meets at such other times as may be required if it is not possible to deal with the Corporation's business at a regularly scheduled meeting.

Directorships

None of the directors of the Corporation are presently directors of other reporting issuers (or the equivalent in a foreign jurisdiction).

Orientation and Continuing Education

New directors receive an information package which includes, among other things, the Corporation's policies and committee mandates, public disclosure filings, and reports on operations and results. Board committee meetings are sometimes held at the Corporation's offices and on occasion are combined with presentations by the Corporation's management and employees to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available for discussion with all directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board is responsible for identifying new candidates for board nomination. The Board considers its size each year when it considers the number of directors to nominate for election at the annual meeting of shareholders, taking into account the number required to carry out the duties of the Board effectively and to maintain a diversity of views and experience. The Board may consider candidates proposed by directors, management or shareholders, taking into consideration the skills, attributes and experience of potential candidates.

Compensation

The current members of the HRGC Committee are Tracy Tidy (Chair), Michael LeClair, and Glenn Fagan. Messrs. LeClair and Fagan of the HRGC Committee are independent of the Corporation.

The HRGC Committee is responsible for assisting the Board in determining the compensation strategies for the Corporation, recommending the forms and amounts of compensation for directors, executive officers and other employees and assessing the performance of executive officers in fulfilling their responsibilities and meeting corporate objectives. The HRGC Committee is also responsible for assessing the performance of the Chief Executive Officer. The HRGC Committee holds meetings as warranted with respect to executive officer appointments or other compensation related matters.

See the discussion under the heading "*Statement of Executive Compensation – Oversight and Description of Named Executive Officer and Director Compensation*" above for further information on compensation made to certain executive officers and to directors of the Corporation.

Other Board Committees

The Board has no regular standing committees other than the Audit Committee and the HRGC Committee.

Assessments

The directors of the Corporation facilitate assessments of the performance of the Board, its committees and individual directors. An annual evaluation is done to review board structure and processes, and the effectiveness of board leadership.

associate or affiliate of any of them, has or has had any material interest, direct or indirect, in any transaction since April 1, 2020 or in any proposed transaction which has materially affected or is reasonably expected to materially affect the Corporation or any of its subsidiaries.

Maximum Plan Shares

- 2.2 The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 10% of the Outstanding Shares at the time the Plan Shares are reserved for issuance, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Venture Policies.

Eligibility

- 2.3 Options to purchase Common Shares may be granted hereunder to Service Providers from time to time by the Board. Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX Venture and the Company is obtained.

Options Granted Under the Plan

- 2.4 All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.
- 2.5 Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

Limitations on Issue

- 2.6 Subject to Section 2.10, the following restrictions on issuances of Options are applicable under the Plan:
- (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares unless the Company has obtained Disinterested Shareholder Approval to do so;
 - (b) the aggregate number of Options granted to Service Providers conducting Investor Relations Activities in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant; and

Options Not Exercised

- 2.7 In the event an Option granted under the Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be eligible for re-issuance. For greater certainty, Options which are exercised thereupon increase the number available to the Plan by the relevant percentage of Outstanding Shares as provided hereunder.

Powers of the Board

- 2.8 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to
- (a) allot Common Shares for issuance in connection with the exercise of Options;

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

 - (d) it may make amendments necessary as a result in changes in securities laws applicable to the Company;
 - (e) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
 - (f) amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Service Providers (before a particular Option is granted) subject to the other terms hereof.

Terms or Amendments Requiring Disinterested Shareholder Approval

Exercise Price

3.1 The Exercise Price of an Option will be set by the Board on the Effective Date of the Option and cannot be less than the Discounted Market Price.

Term of Option

3.2 An Option can be exercisable for a maximum of 10 years from the Effective Date.

Option Amendment

3.3 Subject to Section 2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the Effective Date, the date the Common Shares commenced trading on the TSX Venture, and the date of the last amendment of the Exercise Price.

3.6 Subject to Section 3.7, vesting of Options shall be at the discretion of the Board, and will generally be subject to:

- (i) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
- (ii) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.

Vesting of Options Granted to Consultants Conducting Investor Relations Activities

3.7 Notwithstanding Section 3.6, Options granted to Consultants conducting Investor Relations Activities will vest:

Effect of Take-Over Bid

3.8 If a Take-Over Bid is made to the shareholders, all options issued to directors, officers, employees and consultants that are not yet fully vested will immediately become fully vested, unless such options are subject to vesting restrictions in accordance with TSX Venture policies.

3.9 If a Take-Over Bid is made to the shareholders generally then the Company shall, immediately upon receipt of notice of the Take-Over Bid, notify each Optionee currently holding an Option of the Take-Over Bid, with full particulars thereof whereupon such Option may, subject to receipt of Regulatory Approval and notwithstanding Section 3.6, Section 3.7 and Section 3.7 be immediately exercised in whole or in part by the Optionee.

Extension of Options Expiring During Blackout Period

3.10 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding Section 2.8, the tenth Business Day period referred to in this Section 3.10 may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

3.11 No Option may be exercised after the earlier of the date the Service Provider has left his employ/office and the date that the Service Provider has been advised by the Company that

his services are no longer required or his service contract has expired (the "Termination Date"), except as follows:

- (i) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (ii) Options granted to a Service Provider conducting Investor Relations Activities will expire 90 days after the Termination Date, but only to the extent that such Option has vested as at the Termination Date;
- (iii) any Option granted to an Optionee other than one conducting Investor Relations Activities will expire one year after the Termination Date, but only to the extent that such Option has vested as at the Termination Date; and
- (iv) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Non Assignable

3.12 Subject to Section 3.11, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following

- (i) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefore;
- (ii) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

- (iii) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
- (iv) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this Section 3.13;
- (v) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (vi) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this Section 3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and
- (vii) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this Section 3.13, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records. Such determination will be binding upon the Company and all Optionees.

ARTICLE 4 COMMITMENT AND EXERCISE PROCEDURES

Option Commitment

- 4.1 Upon grant of an Option hereunder, an authorized officer of the Company will deliver to the Optionee an Option Commitment detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.

Manner of Exercise

- 4.2 An Optionee who wishes to exercise his Option may do so by delivering
- (a) a written notice to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and

Tax Withholding and Procedures

- 4.3 Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out elsewhere in this Plan, and as a condition of exercise:
- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or

Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws. Further, if the Exercise Price is set below than the then current market price of the Common Shares on the TSX Venture, the certificate will also bear a

legend stipulating that the Optioned Shares are subject to a four-month TSX Venture hold period commencing the date of the grant of the Option.

ARTICLE 5 GENERAL

Employment and Services

5.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

No Representation or Warranty

5.2 The Company makes no representation or warranty as to the future market value of Common Shares issued in accordance with the provisions of the Plan or to the effect of the Income Tax Act (Canada) or any other taxing statute governing the Options or the Common Shares issuable thereunder or the tax consequences to a Service Provider.
